**CONSENT FINAL JUDGMENT**

This cause came before the Court for ex parte consideration on May 24, 2006, to consider entry of this final judgment ("Judgment") in favor of Larry S. Hyman, Creditor Trustee (the "Trustee") and against Rotate Black, LLC ("Rotate Black"), Dhru Desai (the "Principal"), and John Paulsen (the "Managing Member"), all of whom are hereinafter collectively referred to as the "Obligors."

As reflected by the record herein, the Trustee is entitled to the entry of this Judgment, in

its favor, and against the Obligors on the complaint initiating this adversary proceeding (the "Complaint") for all amounts due and owing to the Trustee (the "Obligation"), as more fully set forth therein. The Court notes that a stipulation was signed and filed by the Trustee, each of the Obligors, and their counsel (the "Stipulation") contemporaneously or shortly after filing of the Complaint. None of the parties named above (collectively, the "Parties") disputes the amount of the Obligation, or the relief requested in the Complaint. Pursuant to the Stipulation, and from the record, the Court finds that it is appropriate to grant the relief provided in the Stipulation, and to liquidate the Obligation and provide for the satisfaction of the Obligation in the form of a payment to the Trustee (the "Settlement Payment"). Accordingly, it is

ORDERED, ADJUDGED, AND DECREED as follows:

1. The Court has jurisdiction of the subject matter of this cause and the Parties to the extent necessary to enter this Judgment.

2. The allegations contained in the Complaint have been proven by competent evidence and are adopted herein by reference, and the allegations and recitals set forth in the Stipulation shall be treated as findings of fact and conclusions of law by reference to the full extent required pursuant to Federal Rule of Bankruptcy Procedure 7052 and other applicable law.

3. The Trustee is entitled to entry of this Judgment, in its favor and against the Obligors pursuant to the Complaint, in the amount of the Obligation.

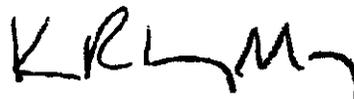

4. On the basis of the matters alleged in the Complaint, and established by the Trustee herein, as of May 24, 2006, the Obligation is in the amount of \$199,613.62 (the "Judgment Amount"), by the Obligors, this being the total of the Settlement Payment, more fully analyzed as follows:

Delinquent Plan Payment	\$195,000.00
Service Obligation	<u>\$ 4,613.62</u>
<b>Subtotal:</b>	<b><u>\$199,613.62</u></b>

5. This Court expressly reserves jurisdiction of this cause for the purposes of including, without limitation, determination of post-judgment interest, attorney's fees and costs for collection of the Judgment, enforcement of this Judgment, discovery in aid of execution, proceedings supplementary, enforcement of post-judgment writs and other process, and any other related issues arising with respect to the Complaint, or any matter relating to the Parties' rights and remedies in rem or in personam, for which let execution issue.

6. Notwithstanding any other provision herein, in the event that the Obligation is not fully satisfied pursuant to the Stipulation, it is further ordered and adjudged that each of the Obligors shall complete under oath Florida Rule of Civil Procedure Form 1.977 (Fact Information Sheet), including all required attachments, and serve it on counsel for the Trustee, no later than May 25, 2006, unless the Judgment is satisfied by that date. Jurisdiction of this case is retained to enter further orders that are proper to compel the Obligors to complete form 1.977, including all required attachments, and to serve it on counsel for the Trustee.

DONE AND ORDERED, in Tampa, Florida, on May 25<sup>th</sup>, 2006.
